STEP 2
 Fold corners down on both sides. Use the centre line as a guide to form a 'house shape'.

1

START

Fold in half to create a centre crease line then open.

2

STEP 2

Fold corners down on both sides. Use the centre line as a guide to form a 'house shape'.

3

COCKATOO INSTRUCTIONS

Follow the folds in numerical order.

— indicates an inward (Valley) fold

..... indicates an outward (Mt.) fold
