

Tracing practice for the number 1. Each column contains a dashed line with a '1' at the bottom and a '2' at the top, indicating the stroke order.

Large tracing practice area for the number 1. It consists of seven vertical dashed lines, each starting with a '1' at the top. The first two lines have dotted lines extending downwards. The remaining five lines have a '1' at the top, a '2' in the middle, and a '3' at the bottom, indicating stroke order. A horizontal dotted line crosses all lines at the level of the '3'.

INSTRUCTIONS

Follow the actions to be completed in numerical order.

— — **CUT**
..... **FOLD**

STEP 1
Cut carefully along all dashed lines marked for cutting.

STEP 2
Fold both dotted lines marked.

STEP 3
Fold the remaining dotted line marked.

STEP 4
Separate the rotor blades. Make a 45° V shape bend between rotors. Do not fold rotors.

INSTRUCTIONS

Follow the actions to be completed in numerical order.
